

DURANDA ABESINGHE

Full Stack Developer | Software Engineering Undergraduate

Matara, Sri Lanka | +94 70 379 6890 | durandaabeysinghe@gmail.com | LinkedIn | GitHub | Portfolio

PROFILE

Software Engineering undergraduate with hands-on experience in backend development, RESTful APIs, microservices, and database management. Skilled in C#, Java, Python, and SQL, with experience building scalable applications using modern software development practices. Passionate about solving real-world problems, collaborating in Agile teams, and continuously learning new technologies.

EXPERIENCE

Software Engineering Intern

Harischandra Mills PLC

May 2026 – Present

- Developed backend services using ASP.NET Core Web API.
- Implemented JWT authentication and role-based authorization.
- Designed and optimized MySQL databases using Entity Framework Core.
- Built modules for students, teachers, attendance, timetables, and exams.
- Tested APIs using Swagger and Postman.
- Participated in requirement gathering at client schools.
- Conducted IT awareness workshops for school management teams.

PROJECTS

School Management System

2026

ASP.NET Core Web API, EF Core, MySQL, JWT

- Developed secure RESTful APIs with JWT authentication.
- Implemented CRUD operations for academic and administrative modules.
- Designed scalable database architecture using EF Core.
- Used Swagger and Postman for API testing.
- Followed Agile practices using Git, GitHub, and Jira.

Agri Link – Digital Plantation & Export Management Platform

2025

React, Firebase

- Developed web and mobile platform serving 500+ workers and 50+ exporters.
- Implemented QR-based inventory tracking reducing errors by 60%.
- Built chat-based price negotiation system handling 200+ daily transactions.
- Created real-time dashboards improving decision-making by 40%.

Autonomous Warehouse Goods Management Robot

2024

Arduino, C++, Sensors

- Designed system to measure box dimensions using ultrasonic sensors.
- Built autonomous robotic vehicle with Bluetooth communication.
- Integrated obstacle avoidance and sensor-based navigation.

Smart Agriculture IoT Platform

2024

IoT, AI, Blockchain

- Developed IoT-based precision farming solution.
- Integrated AI for irrigation and pest management recommendations.
- Implemented blockchain concepts for supply chain traceability.

Hospital Management System

2025

Spring Boot, MySQL

- Developed microservices for doctor, patient, and appointment management.
- Implemented secure REST APIs with authentication and authorization.
- Optimized MySQL stored procedures for performance.

UrbanFood E-Commerce Platform

2024

Spring Boot, Oracle SQL, MongoDB

- Developed backend services for suppliers, customers, and orders.
- Integrated Oracle SQL and MongoDB for efficient data management.

EDUCATION

BSc (Hons) Computing – Software Engineering

NIBM School of Computing

2023 – 2027

Higher National Diploma in Software Engineering

NIBM

2024 – Present

Diploma in Software Engineering

NIBM

Completed

2023 – 2024

G.C.E Advanced Level (Physical Science)

Rahula College, Matara

2022

G.C.E Ordinary Level

Mahinda Rajapaksha College, Matara

2019

TECHNICAL SKILLS

- **Languages:** C#, Java, JavaScript, Python, C, SQL
- **Backend:** ASP.NET Core Web API, Spring Boot, REST APIs
- **Frontend:** HTML, CSS, JavaScript, React
- **Databases:** MySQL, Oracle SQL, MongoDB
- **Tools:** Visual Studio, VS Code, Git, GitHub, Postman, Swagger, Jira
- **Concepts:** OOP, MVC, Microservices, Entity Framework Core, Clean Architecture, Agile Scrum

ACHIEVEMENTS

- Participant – **AITHON 2026** (Hemas Group Innovation Hackathon)
 - Collaborated as a member of Team **Quantum Coders (HT28)** to develop and present an AI-driven innovative solution.
 - Successfully submitted a project proposal for evaluation in a nationwide innovation competition organized by Hemas Group.
 - Project proposal was shortlisted for internal review and shared with relevant Strategic Business Units (SBUs) within the Hemas Group for future consideration.

EXTRA CURRICULAR ACTIVITIES

Cricket

- Captain – Mahinda Rajapaksha College Under-15 & Matara District Team (2018)
- Captain – Mahinda Rajapaksha College Under-17 Team (2019)
- Player – Rahula College First XI Cricket Team (2021–2022)

SOFT SKILLS

Leadership, Teamwork, Problem Solving, Communication, Adaptability, Critical Thinking, Time Management

LANGUAGES

English, Sinhala (Native)
